It's easy to qualify for the higher Kasasa Saver rate.

Qualifying for your Kasasa Cash or Kasasa Cash Back rewards automatically qualifies you for the highest Kasasa Saver rate, too. Enrollments must be in place and all of the following transactions and activities must post and settle to your Kasasa Cash or Kasasa Cash Back account during each Monthly Qualification Cycle:

- At least 15 debit card purchases (minimum \$4.00 each)
- At least one direct deposit, ACH credit, or ACH payment transaction

If for some reason you don't meet these qualifications, don't worry - You can still earn our base rate on Kasasa Saver and get right back to earning full rewards the very next cycle that you qualify.
